

Ted the Dog Mentor

ST. JOSEPH'S SCHOOL DOG

All About Me

I am so pleased to meet you all. My name is Ted and I am really excited to be joining you at St. Joseph's School!

Here are some interesting facts about me:

- I am an F1 Cockapoo – my doggy mummy is a cocker spaniel and my doggy daddy is a miniature poodle
- I was born on 22nd August 2020 – I am now four years old
- I was born in Coventry and I now live with Mr Carry and Ralph another Cockapoo who also works in schools.

I am so excited about being in school. I have already met some of you and have been getting to know all of the staff.

I am looking forward to being a friend to you all. I can listen to you if you want to talk, I will always be here to listen. If you want to get some fresh air – come and see me and we can go for a walk. I also like hearing children read.

I love going on long walks – my favourite places are Arrow Valley Country Park, walking around Studley Castle and the Heart of England trail.

Things to Remember:

- ▶ I am only little and I am still learning so try not to crowd around me in large groups
- ▶ I find it hard to hear if lots of people are calling my name – try to take it in turns to call me and give me fuss
- ▶ Stay standing when you come and see me – don't crouch down as this makes me excited and I might jump up
- ▶ If you do not want to come near me, that's okay. I am very gentle and friendly, but I understand that some people are a little unsure of dogs.
