

WEBSITE INFORMATION

CLASS : Pre-School

WELCOME

Welcome to St Joseph's Pre-School.

The Pre-School Manager is Mrs Kerris Sweeney. The Teaching Assistants are Mrs Donna Archer and Mrs Ruth Llewellyn..

The Pre-School staff are skilled in observing, assessing and extending children's progress and work alongside the children as they play. We provide a safe and secure learning environment which encourages children to experiment in the knowledge that their ideas are important and valued. Most importantly we believe that if children feel happy and safe they will learn naturally.

We enjoy weekly Forest School sessions in all weather! The children enjoy this regular opportunity to achieve and develop confidence and self-esteem through hands-on learning experiences in our woodland area.

TOPIC OVERVIEW FOR THE YEAR

At St Joseph's Pre-School, we follow a Creative Curriculum by learning through books, rhymes and poems. We use the Early Years Foundation Stage Guidance to help plan and implement a rich and stimulating learning environment for all. We believe children are unique and so provide a curriculum suited to the needs and interests of the individual child. We provide a challenging and exciting indoor and outdoor learning environment in which to practise and secure skills. We teach through whole class directed activities, provide a range of adult supported activities as well as giving children the time and space to choose, explore and develop individually.

KEY DAYS:

Wednesday am – Forest School

USEFUL WEB LINKS

St Joseph's School Website, Pre-School page: <https://www.stjosephsdroitwich.co.uk/pre-school/>

St Joseph's Pre-School Facebook page: <https://www.facebook.com/St-Josephs-Pre-School-Droitwich-245319583015927/>

There will also be a link on the School website to our half termly topic web.
